TOWN HALL ISSUES

(Submitted prior to 5 October 2021)

SELF CHECKOUT AT COMMISSARY

Question: Why are the self-checkout machines at the Commissary down so much? One day they are all down, some days only one or two work, and now only about half of them work. What is the problem and what is being done to fix them?

MASK MANDATE ON FORT SILL

Question: Why is it some facilities on Fort Sill adhere to the mask mandate given to us by the President of the United States and others disregard it? I find it very frustrating that some of us follow orders given us by our superiors and others disregard it! Either we have to wear them or not! You go into the PX or Commissary, and you have to wear it and everyone is doing so. Then you go to places like LRC or Range Control and no one is wearing masks! If this is not a thing then the Post Commander needs to send a memo telling us we don't have to wear masks. But if we are supposed to wear masks, then they need to hold everyone accountable to doing so.

OFF POST PRESCRIPTIONS & RAHC

Question: I am retired and have an off post doctor. My doctor sent my prescription to Reynolds. I waited for a couple of hours and went to get it only to be told I have to call first and tell them to process it. This makes no sense – if I need the medicine and my doctor sends it, why do I have to call the Pharmacy to ask them to process it? And is there a dedicated line for this, or do I just talk to anyone answers the phone there?
