AD 2026-17

BLUF: AD 2026-17 supersedes AD 2025-25, further restricting official social media accounts. For Fort Sill, only one set of accounts is authorized under the senior commander's purview. All unlisted accounts—including separate ACS and MWR pages—must be closed, archived, and deactivated.

WHAT THIS MEANS FOR FORT SILL

- Page Deactivations: All unauthorized social media pages must be closed, archived, and deactivated immediately in compliance with Army records management policy NLT 07 AUG 2026.

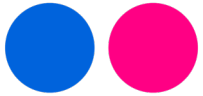

WAY AHEAD

- Official Social Media Submissions: Submit all unit and organization content requests via the official PAO Social Media Request Portal on the FCoE SharePoint: <https://armyeitaas.sharepoint-mil.us/:u:/r/sites/TR-FCoE-CPG/SitePages/SOCIAL-MEDIA-REQUESTS.aspx?csf=1&web=1&e=DGQw1e>
 - Requirement: All content and imagery must strictly comply with Army Branding Guidelines.
- MWR: MWR/ACS pages are deactivating. We will utilize our consolidated official social media channels, the Fort Sill MWR Website, and the My Army Post App (MAPA) to package, coordinate and amplify all MWR events and community programs.
