TOWN HALL ISSUES

(Submitted prior to 4 May 2021)

AAFES MASK POLICY

Question: Why does AAFES not allow customers to wear facial coverings? It wasn't that way early on, so what changed so that only masks are allowed?

SUDDENLINK ON FORT SILL

Question: I'm not sure who to get in touch with about Suddenlink. Calls to them are not being returned, and no credit is being put on my account for outages. We are paying for service we are not receiving, and as far as I know this is our only provider on base. Who can help me find a different provider? I rely on the internet for my children's school work.

RAHC PHARMACY

Question: The pharmacy hours at RAHC seem adequate, but the process is confusing. If you get a new prescription, why are you not able to pick it up the same day and avoid making two trips and increase exposure during COVID concerns?
