Beyond the Basics: Resources & Events

There is so much more to explore beyond gate times and traffic reports

Phone Directory & Hours

Find facility hours and tap-to-call direct in the app.

Maps & Navigation

Find building locations quickly, tap the address and open with your preferred map to allow navigation directly from your phone.

One Unified Calendar

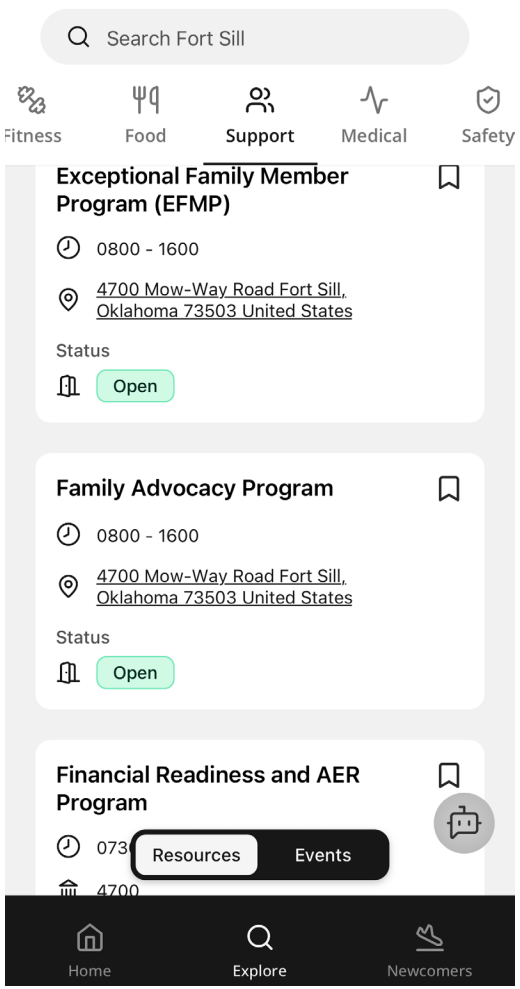

Find all garrison, MWR, ACS, and any other installation events in one consolidated location.

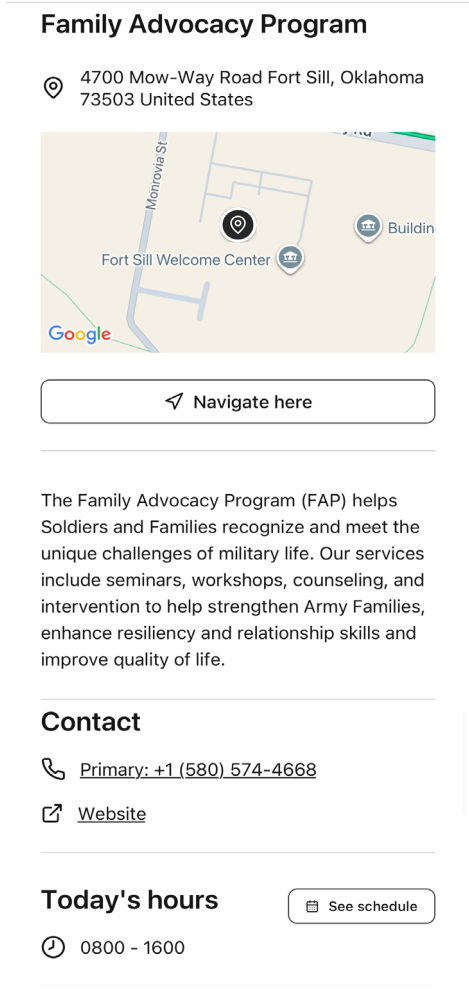

Event Details

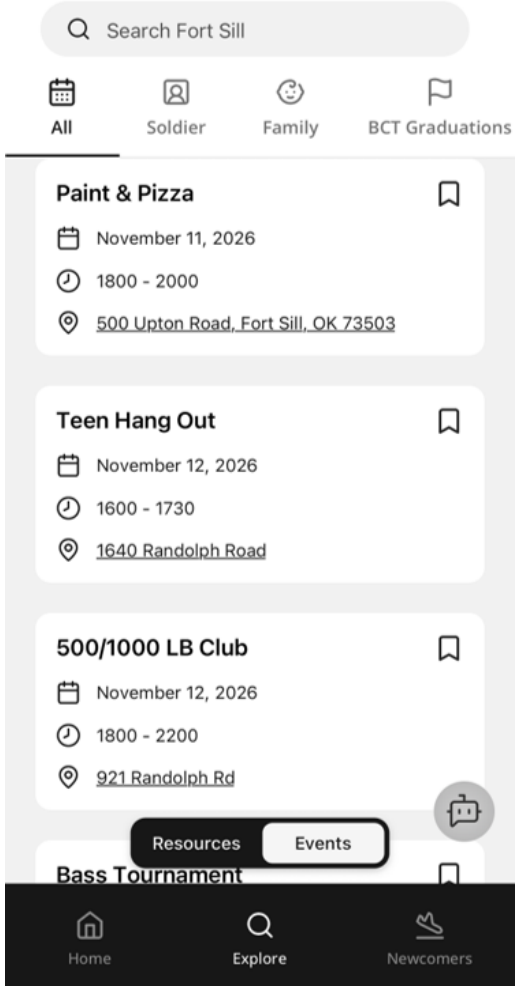

Each event listing contains dates, times, exact locations, registration links, any costs, and another important info.

SAMPLE EVENTS YOU'LL FIND:

- MWR Runs
- Bowling Bingo
- Trunk or Treat
- Book Club for Adults

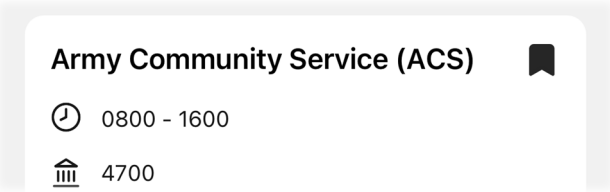

Bookmarking Resources

Get alerts for specific facilities or programs.

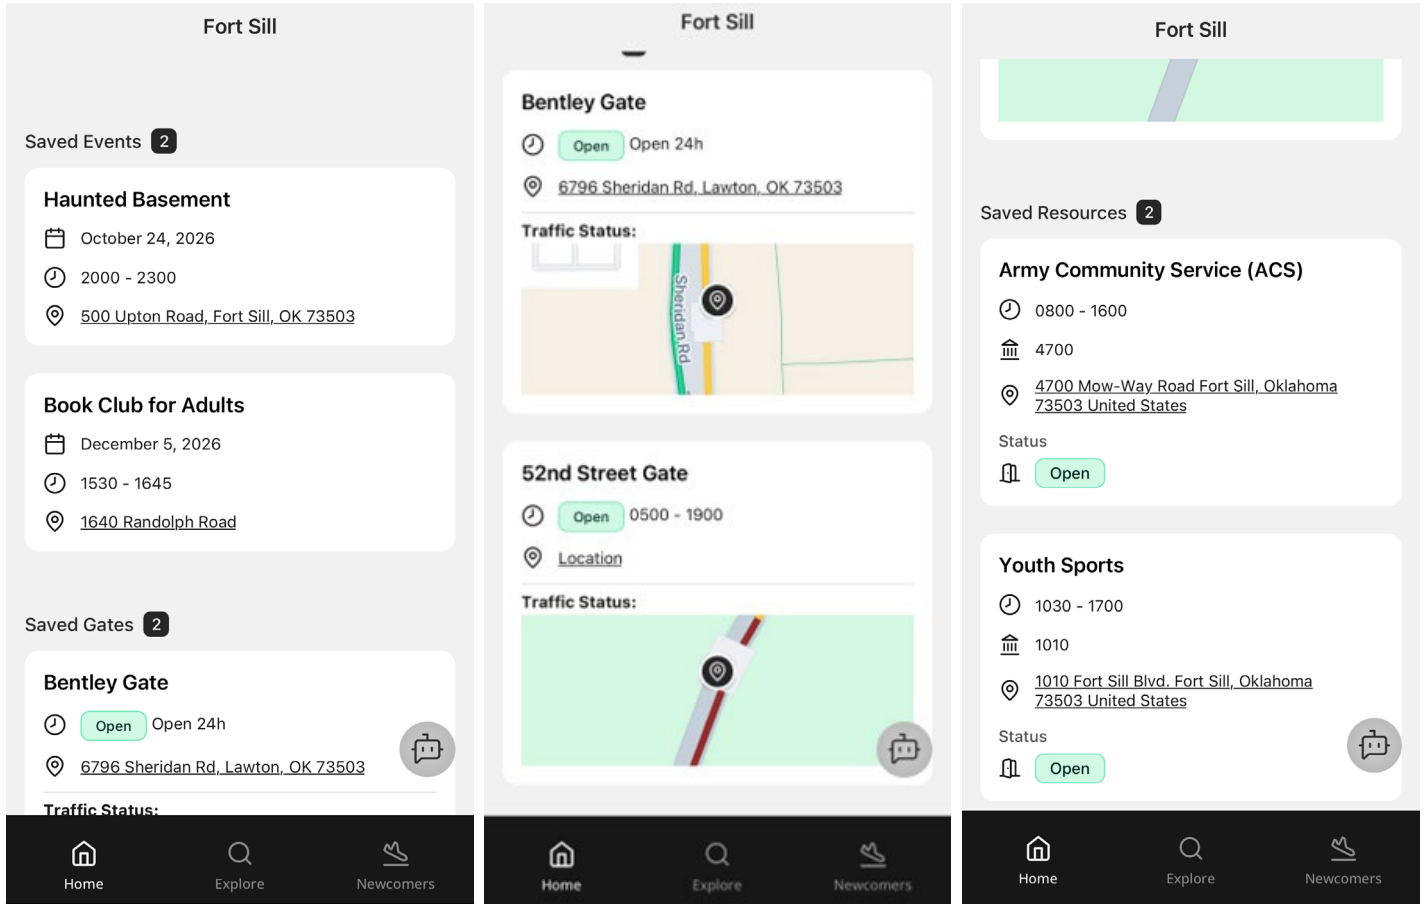

Why Bookmark Resources?

Mass notifications go out to all users but occasionally things happen that may need awareness but not everyone needs to be notified. Youth Sports sign-up reminders, a rained-out event, or even an ACS class has some important information. If you want notifications, bookmark it. **Bookmark the resources that fit your, or your family's needs.**

What to Bookmark?

- Events
- Gates
- Resources

Bookmarked resources appear on your app home screen for fast access.

Blended Retirement System: Continuation Pay (CP) Guidance

Bottom Line Up Front

Continuation Pay is a significant mid-career cash incentive for BRS Soldiers. Soldiers must request it **before reaching their service limit**.

The 1 Jan 2027 Deadline

The window narrows permanently from 12 years down to **completed no less than 7 and no more than 10 years of service** computed from PEBD.

Current Compensation

Active duty personnel receive **2.5× monthly basic pay** in exchange for an agreement to serve **4 additional years** of active service.

Required Leader Action

Audit battalion rosters immediately. Ensure Soldiers approaching 10 years of service submit election paperwork before the policy shifts.

Any BRS Soldier with 10+ years on 1 Jan 2027 who has not executed CP permanently forfeits payout.
