Alert! FAQs

Q. What does Alert! use my information for?

A. Alert! stores your information for alerting purposes only.

Q. How many times does the system call per notification?

A. By default the system will contact you 3x unless a confirmation has been acknowledged. It is possible you have may confirmed through another method (EX: Email) and will still receive a phone call if that call was already sent.

Q. I am getting an error that says unable to save client record, or registration was unsuccessful what should I do?

A. Make sure that you have completed all of the mandatory fields: First Name, Last Name, valid phone number, email address and one non-dated association. If you are unable to find your military location please contact our help desk and we will be happy to assist.

Q. I can't complete registration because I only have a DSN number, what should I do?

A. If you only have a DSN phone number, simply click the remove button for that field and then save at the bottom of the page.
