Weather Preparedness

Jim Carney
Weather Emergency Manager

Geography. Know Where You Are

- Oklahoma is landlocked touching 7 states
 - Texas, Arkansas, Missouri, Kansas, Colorado, New Mexico
- Comanche County is surrounded by 6 counties
 - Cotton, Stephens, Grady, Caddo, Kiowa, Tillman
- **Weather notifications are issued by county**

Outlooks/Watches/Warnings/Advisories may be issued for:

- Winter Weather
- Cold Weather
- Winter Storm
- Blizzard
- Ice Storm
- Freeze
- Frost
- Wind Chill

 What does it mean?			
Warning	Watch	Advisory	Outlook
Weather hazard is occurring, imminent or likely	Risk of weather hazard in the near future	Weather hazard is occurring, imminent or likely	Risk of weather hazard in the next 7 days
Poses a threat to life/property	Could pose a threat to life/property	Could cause significant inconvenience	Could pose a threat to life/property
Take Protective Action	Have a Plan of Action	Use Caution	Prepare a Plan of Action

- **Outlook**
 - Conditions are **possible**
 - Issued about **3-5 days** prior
- **Watch**
 - **Possibility** of event occurring
 - Typically issued **12-48 hours** prior
- **Warning**
 - Hazardous weather that can cause “significant inconvenience, and if caution is not exercised, could lead to life-threatening situations”
 - Warnings alert the public **12-24 hours** before
- **Advisory**
 - Weather hazard is occurring, imminent or likely

Watch VS Warning

■ WATCH: Supplies to make BOOM
■ WARNING: BOOM

■ Howitzer WATCH
■ Howitzer WARNING

Watch: It's coming! Have a plan!

Warning: It's here! Take action!

Winter Weather Preparedness Tips

Create an Emergency Kit

Include enough supplies for three days of self-sufficiency

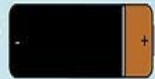

Fire & Heater Safety

Keep at least three feet of clear space around fireplaces & heaters

Change Your Batteries

Change batteries in smoke and carbon monoxide detectors

Insulate Doors and Windows

Place weather stripping around doors & window sills to keep heat in

Create a Car Kit

Include jumper cables, blankets, ice scraper, water & phone charger

created with graphics from freepik.com

Stay Weather Aware

- Weather app of your choice
- TV: Channel 3, 4, 5, 6, 7, 9 and 25
- Social media
 - facebook.com/usagsill
 - facebook.com/officialftsill
 - facebook.com/fort.sill.em
 - Instagram @fortsillgarrison @officialftsill

- Redundant ways to receive notifications
- Emergency Kits
 - Response/Recovery planning assumption:
residents have 72 hours supply on hand

Fort Sill Road Conditions (18 Oct 2024)

Rating	Definition	Conditions/Limitations	Dispatching
Green	Clear and dry	Normal operations	SOP
Amber	Wet or have snow or icy areas	Drive with caution.	SOP
Red	Covered with ice or hard-packed snow. Heavy precipitation and/or high winds are limiting visibility.	Hazardous driving/operations. No unnecessary driving. Tire chains recommended if authorized by operator's manual.	Authorized and signed by an O-6 commander or GS-15/civilian O-6 equivalent
Black	Covered with ice and hard-packed snow and possibly unplowed. Heavy snowfall and/or high winds causing zero visibility are occurring or expected.	Extremely dangerous, life-threatening conditions. Suspend vehicle operations except DES, DPW snow removal or National Defense support vehicles. Use tire chains if authorized by operator's manual.	Authorized and signed by the approving authority for high-risk missions, Brigade / Garrison Commander

Road condition ratings provide mandatory instruction for government/military vehicle operations. Fort Sill officials recommend that personnel using privately owned vehicles apply this guidance when planning their travel.
